

CrossRoads Christian Community Building Usage Policy

Purpose

To ensure use of the Church and Church Hall are to be used for activities that are Christ focused.

To ensure CrossRoads Christian Community does not promote inappropriate materials and events.

To ensure activities undertaken within the church facility have approval of church officers.

Scope

All activities that require use of the Church or Church Hall and advertising space.

Activities or Events

Fund Raising

- The product or activity must be of an acceptable content or nature to the Christian faith.
- An activity must contain an outreach component.
- Full proceeds from activity or product must be forwarded to CrossRoads Christian Community.
- Approval of activity or sale of product must have prior approval of the churchwardens prior to the event taking place.
- The request must be made in writing to the wardens to be considered.

Use Of Church and Church Hall

- The activity must be of an acceptable content or nature compatible with the Christian faith.
- The activity must be compatible with CrossRoads' Vision or ministry strategy.
- Church activities planned either published or unpublished will take precedence over fund raising activities in relation to use of the church.
- Any proceeds must be forwarded to CrossRoads Christian Community.
- Approval for use of the Church or Church Hall must be made in writing to the wardens to be considered.

Promotion of Non-CrossRoads Events or Activities

- The use of the Church facility to promote events or employment related advertising must not be distributed without obtaining approval of wardens.
- The request for use of the Church or Church Hall must be made in writing to the wardens to be considered.
